We have stopped selling Satetsu modelof Suzuki Morihisa as they are too delicate in handling.
It often leads cracking when it is inapreopreately heated without water.

All Tetsubins are "Built to Order". For Kunzan and Seiko-Do, it usually takes 3-4 weeks to complete Tetsubin.
As for Suzuki Morihisa, it takes 1-2 months for lower price range and 2-4 months for high-end model.

Note 1: The quoted prices are valid only for 6 month from the date issued as there are frequent changes of manufacture's price.
Note 2: The quoted prices are including the domestic shipment cost and not included international shipping cost..
